

More Comfort, Better Performance

***Premium Wrist/Hand Splint
Part # 31-501
L3915/L3916 PDAC Approved***

The 31-501 Comfortland Premium Wrist/Hand splint is the ideal solution for carpal tunnel, osteoarthritis, rheumatoid arthritis, pain in the wrist/hand, and many other conditions.

The 31-501 is universally sized, will fit either the left or right hand, and has a malleable frame to fit almost any patient. This excellent answer for wrist/hand ailments also features an adjustable ROM hinge for flexion and extension, a nylon glove that aids in compression, and lightweight, breathable materials.
